MEMORANDUM FOR THE FILES

25X1A9a SUBJECT: [REDACTED] Deceased

1. As indicated in the attached memorandum dated 11 February 1952, this office was asked to identify the proper recipient for payments resulting from the death of subject.

2. Names were then obtained from the field. I pointed out that it would at least be necessary to obtain some proof of their authority to receive the payment as executor under a will or administrator designated by a Probate Court. The field replied that they could furnish no further information and the case officer was advised that he could inform Finance Division to make payment to the executor provided they could obtain proof of the nature indicated above.

3. The file was returned to [REDACTED] on 14 October 1952.

4. It should be noted that the deceased was a contract agent and that the requirements of P.L. 636 which are applicable only to "officers and employees" would not necessarily apply.
